

DYKEM®

DALO® AND TEXPEN®

MARKERS

The DYKEM® TEXPEN® and DYKEM® DALO® industrial paint markers stand out for their distinctive, bold oil-based paint markings. The stainless steel-ball valve action tip writes through oil, grease and underwater without losing legibility or brightness even in extreme weather conditions.

• BENEFITS •

- Writes sharp, defined, bright marks on any surface including metal, plastic, glass, concrete, rubber and more
- Ergonomically correct marker that enables you to mark at all angles, even upside down
- Marker retains its shape
- Paint flow is controlled by the bulb at the end of the barrel
- Drying Time: 25 - 35 minutes

DYKEM® TEXPEN® MARKERS

The Dykem® TEXPEN® stands out for its distinctive fine, medium and bold oil-based paint markings. Its stainless steel-ball valve action tip writes through oil, grease and underwater without losing legibility or brightness even in extreme weather conditions.

Benefits:

- Write sharp, defined, bright marks on any surface including metal, plastic, glass, concrete, rubber and more
- Ergonomically correct marker that enables you to mark at all angles, even upside down
- Marker retains its shape
- Paint flow is controlled by the bulb at the end of the barrel
- Drying Time: 25 - 35 minutes

Available Colors/Product # :

DYKEM® DALO® MARKERS

The Dykem® DALO® Marker is the marking pen with medium and bold tips that holds a high capacity of oil-based paint and is a larger version of the Dykem® TEXPEN®. Its stainless steel-ball valve action tip writes through oil, grease and underwater without losing legibility or brightness even in extreme weather conditions.

Benefits:

- Extra large paint capacity
- Write sharp, defined, bright marks on any surface including metal, plastic, glass, concrete, rubber and more
- Ergonomically correct marker that enables you to mark at all angles, even upside down
- Marker retains its shape
- Able to use all its paint with no waste
- Paint flow is controlled by the bulb at the end of the barrel
- Drying Time: 25 -35 minutes

Available Colors/Product # :

Medium

- Black 26033 ● Red 26023 ● Blue 26013 ● Orange 26103
- White 26083 ● Green 26043 ● Yellow 26063

Broad

- Black 26034 ● Red 26024 ● Blue 26014 ● Orange 26104
- White 26084 ● Green 26044 ● Yellow 26064

DYKEM® TEXPEN® MARKER HOLSTER

DYKEM® Marker Holster makes it easy to use your Medium and Broad DYKEM® TEXPEN® marker. By having the holster clipped at your waist you eliminate the hassle of looking for a marker and needing both hands to remove the cap.

Benefits:

- Eliminates awkward task of removing pen cap each time pen is used
- Allows one-handed use when both hands are not readily available
- Made from durable, long lasting polypropylene webbing
- Unique, flexible fabric-to-metal hinge provides total flexibility
- Cap machined from aluminum to securely hold medium and broad TEXPEN®
- Heavy duty .025 gauge clip tightly clips on tool belt or clothing
- Cap remains in down position when pen is in use to keep it clean of debris
